## **Letter to Send to Your Email Provider**

To: ISP Customer Support

Subject: Remove Constant Contact Block

Hello. My name is **XXXX** and I have been a customer of your services since **XXXX**. I understand that you employ filters and/or blacklists to protect customers like myself from unsolicited email; however, this has made it impossible for me to receive email that I have requested. I value these communications and would like to receive them using this email address.

The sender of these emails uses an email marketing service called Constant Contact. Constant Contact is not an open relay and has strict anti-spam policies in place. Because your filters block emails from Constant Contact I am unable to receive these communications.

I ask that you please help me determine why these emails are being blocked. For further information about Constant Contact or to request more information from them such as log files, the Operations team can be reached at: 781.472.8103 or [ops@constantcontact.com](mailto:ops@constantcontact.com).

Mail from Constant Contact can be found by the following characteristics for whitelisting:
